LETTER TO ISSUE FEE AND PUBLICATION BRANCH

Commissioner for Patents
P.O. Box 1450
Mail Stop Issue Fee
Alexandria, VA 22313-1450

Dear Sir:

Applicants are requesting that the issue fee payment and advance order of soft copies paid on April 19, 2006 be applied to the Notice of Allowance and Issue Fee due issued by the Examiner on June 19, 2006 in the above-identified application. A first Notice of Allowance was issued in this case by the Examiner on January 20, 2006. Applicant's representative paid the issue fee on April 19, 2006. Shortly thereafter, Applicants became aware of several pertinent references cited in a corresponding application and filed a Petition Under 37 CFR §1.313(c) to Withdraw Application from Issue. Subsequent to filing such Petition, Applicant proceeded to file a Request for Continued Examination to have the Examiner review and consider the newly cited references in the application. After further prosecution of the application, the Examiner issued yet another Notice of Allowance dated June 19, 2006.

According to the MPEP, the Applicants are entitled to request that the issue fee payment and of September 8, 2003 in the amount of \$1,615.00 be applied to the presently issued Notice of Allowance. Under MPEP Rule 1308.01 it states:

"If the issue fee has already been paid and prosecution is reopened, the applicant may request a refund or request that the fee be credited to a deposit account. However, applicant may wait until the application is either found allowable or held abandoned. If allowed, upon receipt of a new Notice of Allowance, applicant may request that the previously submitted issue fee be applied. If

abandoned, applicant may request refund or credit to a deposit account.”

The Applicants having filed an RCE would constitute a reopening of the case according to the rule. Also according to the rule, Applicant is now requesting that the first issue fee payment made on April 19, 2006 be applied to the second issued Notice of Allowance. Thus, Applicant should not be required to make a second payment when filing the Notice of Allowance prior to the due date of August 19, 2006.

Thus, Applicants believe that no further fees should be paid in this case to further satisfy the Notice of Allowance. However, if any further fees are due or payment is in fact required in order to keep the application pending, please charge our Deposit Account 50-0388 (Order No. CISC230).

Respectfully submitted,
